

Tribal PRAMS Toddler Survey Development Workshops (TSDW) & Healthy Native Babies Project - Listening Sessions (HNBP-LS)

Tribal Community Members & Staff invited to participate.
No prior knowledge needed.

Participants receive a \$75.00 gift card for each focus group discussion.
Feedback can help ensure future materials are culturally relevant & appropriate.

Tribal PRAMS

TODDLER SURVEY Development Workshop:

Help Develop Culturally Relevant Questions for
American Indian Moms and their Toddlers to:

- Increase data quality for health & wellness
- Increase tribe specific data availability
- Promote health equity and honor tribal sovereignty

HNBP Listening Session:

- Review materials on Sudden Unexpected Infant Death Syndrome/Sudden Infant Death Syndrome (SUID/SIDS) for cultural relevance.
- Feedback will be provided to CDC to update SUID/SIDS materials & resources for tribal communities.
